## EXPERIENCE

### Next Level Solutions — *Web Developer*

November 2020 - Present

I work with legacy software to create public-facing and internal web interfaces for casualty and property insurance. Technologies that I utilize are XML/XSLT, SCSS, and Ext.js.

### Marlin Network — *Web Developer*

July 2018 - November 2020

I worked with a wide array of clients and technology stacks to create custom marketing websites for big-name brands such as Starbucks, Nestle, Bush's Beans, and Smucker's. Technologies that were utilized include Vue.js, SCSS, ASP.Net, Twig, PHP, and Meteor.

### Ozarks Technical Community College — *Programming Tutor*

July 2016 - May 2018

I assisted students with classwork from programming and general computer studies classes. Classes I tutored include Web Development, SQL, Systems Analysis & Design, Intro to Computer Programming (using Python and Visual Basic), C#, and Java.

## EDUCATION

### Ozarks Technical Community College — *Computer Information Science, A.A.S*

January 2016 - May 2018

While studying, I earned a variety of merit-based scholarships, belonged to the Phi Theta Kappa Honors Society, and graduated Magna Cum Laude with a 3.9 GPA.

## TECHNICAL SKILLS

- Basic web languages like HTML, CSS, and Javascript
- Javascript frameworks like Vue, Nuxt, and Meteor
- CSS preprocessors like SCSS and LESS
- CMSs like WordPress, Umbraco, Pimcore, and Prismic
- Other programming languages like Python, C#, Java, and PHP
- Source control via Git and TFS
- Design software like Adobe XD, Sketch, and InVision

## SOFT SKILLS

- Detail oriented
- Driven to succeed
- Innovative
- Adaptable and flexible
- Dependable
- Multitasking
- Self-motivated
- Problem-solving
- Good under pressure
- Solution-oriented mindset

## CERTIFICATIONS

- MTA Database Fundamentals
- MTA Intro to Javascript
- CIW Site Development
